Motion Sensor

FOR SINGLE COLOR LED TAPE

Product Name: **Motion Sensor**
Item number: **CON-MS02**
The light will automatically turn on when people come and turn off when they leave, saving energy. Ideal for connecting it to illumination of uninhabited places such as warehouses inside the house, lighting of corridors and fences when passing by late in the evening.

Shorter wire connects to LED strip

Longer wire connects to power supply

Features

- Small size
- Easy to install and use.
- **Motion Sensor:** The led will turn on when people come, turn off 30s after people leave.

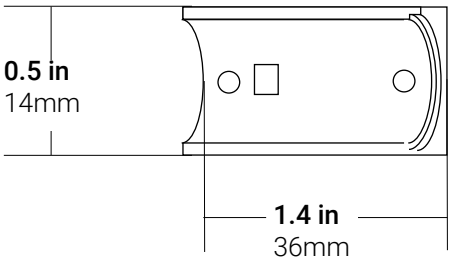

Technical Parameters

Packing size	L80*W25*H80 mm
Sensor dimension	H42.5*D16 mm
Weight	10g
Supply voltage	DC12V-24V

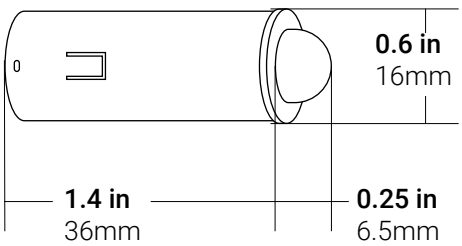

Sensor range	0-3m
Detection angle	120 °
Working temperature	0-45 °C

Dimensions

Wall mounting bracket:
